

About South San Francisco Scavenger Company

South San Francisco Scavenger Company (SSFSC) is a family-owned company that has been providing solid waste and recycling services to local communities since 1914. The company's mission is to provide quality service to our customers, minimize the negative impact of our collection and processing operations and maintain a safe work environment for our employees. SSFSC serves businesses and residents in South San Francisco, Brisbane, Millbrae, and San Francisco International Airport.

SSFSC collects 220,000 tons of waste annually and provides a full range of pre- and post-collection services to assure efficient, responsive, and hands-on waste management in the face of rapidly changing regulatory and environmental challenges. Since moving to their current location in 2001, SSFSC has been upgrading its processing equipment to continuously increase recycling of construction and demolition debris, wood waste, plastics, commercial food waste and other materials. Effective in late 2014, SSFSC operates a fully enclosed dry anaerobic digestion facility, designed to annually convert 11,200 tons of food scraps, yard trimmings and food soiled paper products into compost and compressed natural gas (CNG) to fuel the company's collection trucks.

Sustainability & Community

In 2011 SSFSC produced their first Sustainability Report and set 11 goals for the following ten years, encompassing commitments to:

- Reduce the impact of our operations on the environment,
- Support the local economy and the communities we serve, and
- Provide a safe work place and a positive work experience for our employees.

SSFSC's community engagement includes the 4R Learning Center where local students from elementary school through college learn about the importance of waste reduction and recycling.

Recognition/Achievements

SSFSC has been recognized with multiple community awards, including:

- Breathe CA award nominee 2014
- Sustainable San Mateo County Award 2011
- South San Francisco Chamber of Commerce Successful Business Award
- 10 Year Super Star Award from the City of Brisbane
