

The Recycler

Fall 2017

Holiday Collection Schedule

Christmas Day and New Year's Day fall on Mondays this year. For these two days only, collection services need to be rescheduled so that our employees may spend the holidays with their families. **This change ONLY affects customers who usually receive service on MONDAY.**

Monday customers will have collection services on Saturday, December 23, and Saturday December 30, instead of on Christmas Day and New Year's Day. Notice of this change will also be sent by mail. There is no change for customers who usually have collection service on Tuesday, Wednesday, Thursday, or Friday. Regular Monday collection resumes on January 8.

Seasonal Overflow?

Please do not overload any of your carts. Make sure the lids fully close and materials are not too tightly wedged inside. This will help prevent litter and ensure your carts are completely emptied.

If you have overflow, follow the instructions below.

Extra Garbage

Overflow garbage can be bagged, set next to your garbage cart, and collected on your regular collection day. Please contact us at least one business day ahead of time to schedule. You can choose to use an On-Call Cleanup or to pay the extra bag fee.

Extra Recycling

Overflow recyclables can be collected curbside for no charge. Place paper and mixed containers (aluminum, glass and plastic) in separate paper bags and leave next to your recycling cart on your regular collection day. Remember that cardboard boxes should be flattened, bundled, and left beside your recycling cart as well.

Invite your Green Organics cart to this year's holiday feast!

When the feast is finished and you've had your fill of leftovers, be sure to feed your green organics cart.

Turkey bones, corn cobs, stale rolls, soggy yams and dried out stuffing all taste good to the green cart. Dirty paper plates, cups and napkins too!

Please Recycle Your Christmas Tree

- Remove the stand and all decorations including lights and tinsel.
- Cut tree in half if it is over 6 feet.
- Place tree on or near curb by 5 a.m. on your regular collection day. Please do not bag your tree.

A special truck may be used to collect trees in your neighborhood.

This truck can arrive earlier or later than our regular trucks.

Note that flocked and artificial trees cannot be recycled and will be collected by the regular garbage route.

Deep Frying a Turkey?

Let the cooking oil cool, pour into one gallon jugs, and bring to Blue Line Transfer. Fees apply and there is a 10-gallon limit. Small amounts of fat, oil and grease can be cooled and scrapped into your green organics cart—if desired, you may scrape into a paper dairy carton or wrap in newspaper or a paper towel first.
