RECYCLING GUIDE

Sort Smart

Sorting your trash is easy and important. Please take the time to learn what belongs in each of your collection carts or bins. Look for the label!

Don't see a collection cart or bin with one of the labels shown above?

Ask your property owner or manager to contact us for assistance. In the absence of an Organics cart or bin, food scraps and food-soiled paper belong in the Garbage. In the absence of a Cardboard cart or bin, boxes can be flattened, cut down, and recycled with Paper.

Keep it clean!

Please do not contaminate recyclables. Scrape and rinse food and beverage containers before placing in the Containers cart or bin. Only put clean, dry paper in the Paper cart or bin. Keep the lids to your carts or bins closed to keep out rain and critters.
