

I'm a Super Sorter!
My super power is the ability to correctly sort recyclables, organics and garbage.

Please color our hero!

I AM A SUPER SORTER

I load my green **Organics** cart with peels and pits.

I mix in a few eggshells and stale corn chips.

My paper plates and napkins are tossed inside too,

Along with cut grass, pulled weeds, and other things that once grew.

Under the gray lid of my **Recycling** cart, I put only clean paper,

A few empty boxes and ads from that pesky junk mailer.

Under the blue lid, I place empty bottles and jars,

Leaving out plastic bags and broken toy cars.

I'm careful to fill my **Garbage** cart only with trash,

Stuff I could not reuse or recycle in a flash or a dash.

I drop in bags full of diapers and some with dog poop;

With that goes Styrofoam and an old hula hoop.

My name is _____ and I am a hero.

Sorting is my superpower and I try hard to waste zero!
