

Happy Holidays from South San Francisco Scavenger Company! Please remember:

Collection service is provided as usual during the week of Thanksgiving.

Our offices and Blue Line Transfer close at noon on Thanksgiving Day, Christmas Eve and New Year's Eve.

Our offices and Blue Line Transfer are closed and collection service is not provided on Christmas Day or New Year's Day – services are automatically rescheduled.

Blue Line Transfer is open with regular Saturday hours on December 26 and January 2.

WE RECYCLE CHRISTMAS TREES

- Remove stands and all decorations including lights and tinsel.
- Cut trees in half if taller than 6 feet.
- Do not bag or tie trees.
- Place trees near your garbage and recycling carts/bins for collection.
- Contact us to schedule collection. Trees are collected from multifamily residential properties at no charge. A \$10-\$20 fee is charged per tree (depending on size) collected from a business.

Resolutions for 2021

✓ **Sort waste correctly.** Contaminated recyclables may not be collected. Take the time to learn what is and is not recyclable. Contact us if you have questions: email us at info@ssfscavenger.com, call us at 650.589.4020, or use the new "Sort Smart" tool at ssfscavenger.com.

✓ **Make sure your waste containers are the right size.** Lids must close completely. Contact us to increase service or request a special collection of occasional overflow.

✓ **Keep waste containers closed at all times.** This will eliminate wind-blown litter and prevent containers from becoming a breeding place for insects and critters.

✓ **Comply with California Law.** Assembly Bill 341 requires all businesses and multifamily residential complexes with 5 or more living units to separate recyclable materials from their garbage. Assembly Bill 1826 requires that all businesses generating 2 cubic yards or more of waste per week implement an organics recycling program. [Note that in September, the threshold was reduced from 4 cubic yards to 2.] Assembly Bill 827 requires front-of-house organic waste collection bins in all restaurants and cafeterias where patrons clear their own tables.

Enhancement Project Underway at Blue Line Transfer

The Material Recovery Facility inside Blue Line Transfer is undergoing exciting improvements. New features include optical sorting machines and robotic technology. These improvements are essential and will help surrounding communities to reach the landfill reduction goals set by the State of California. For project details, follow us on Facebook or Instagram @ssfscavenger.

Container Maintenance

Your Recycling, Organics and Garbage carts and bins are engineered to withstand years of service. It is your responsibility to keep them relatively clean but it is our responsibility to repair or replace them as needed. If your cart or bin leaks, has a broken or missing lid or wheel, or is no longer properly labeled, please report that to us. We'll remedy the problem as quickly as possible. You can also request a steam clean; charges may apply. Send an email to info@ssfscavenger.com or call 650.589.4020.

'TIS THE SEASON TO FEED YOUR ORGANICS CART

Invite your **Organics** cart or bin to this year's holiday feast! It's hungry for corn cobs, soggy yams and potato peels. It craves turkey bones and dried-out stuffing too!

Not yet participating in our Organics Recycling Program? If you have a garbage account with us, we'd be happy to add organics collection to your service.

Please contact us for more information: call 650.589.4020 or email info@ssfscavenger.com.
