GOT HHW?

Reduce the negative impacts of household hazardous waste (HHW) by following these tips:

- Choose less toxic alternatives when possible. Visit smchealth.org/safercleaning for a list.
- Buy only what you need.
- Give away hazardous products you cannot use, or dispose of them properly.
 - ◆ Place used household batteries and cell phones together in a clear zip-top bag, seal, and put on top of the lid to your **GARBAGE** cart. Please put clear tape over both ends of each used lithium and 9 volt battery and wrap cell phones in paper. 
 - ◆ Place used motor oil and filters next to your **RECYCLING** cart. Contain used motor oil in original or other labeled jug with screw-top lid. Jugs must be 1-gallon or smaller. Contain used oil filters in clear zip-top bag. Limit of 5 gallons of oil and 5 filters per collection day.
 - ◆ Take HHW to a free drop-off event hosted by San Mateo County. Visit smchealth.org/hhw or call 650.363.4718 for days, times, locations, and a list of acceptable items. An appointment is required.
 - ◆ Drop-off up to 10 gallons of latex or oil base paint for no charge at any location listed on PaintCare.org. Paint must be in original containers with labels.
 - ◆ Bring automotive batteries, motor oil & filters, paint, antifreeze and sharps to Blue Line Transfer. There is no disposal charge for residential customers.
