Deep Frying a Turkey?

Let the cooking oil cool, pour into one gallon jugs, and bring to Blue Line Transfer. Fees apply and there is a 10-gallon limit. Small amounts of solidified fat, oil and grease can be scraped into your green organics cart. We recommend wrapping it in newspaper or a paper towel first. Please do not put liquid cooking oil inside any of your collection carts.

Please Recycle Your Christmas Tree

- Remove the stand and all decorations including lights and tinsel.
- Cut tree in half if it is over 6 feet.
- Place tree at the curb by 5 am on your regular collection day.
- Do not bag your tree.

A special truck may be used to collect trees in your neighborhood. This truck can arrive earlier or later than our regular trucks. Note that flocked and artificial trees cannot be recycled and will be collected by the regular garbage route.

Seasonal Overflow

Please do not overload any of your carts. Make sure the lids fully close and materials are not too tightly wedged inside. This will help prevent litter and ensure your carts are completely emptied.

If you have overflow, follow the instructions below.

Extra Garbage

Overflow garbage can be bagged, set next to your garbage cart, and collected on your regular collection day. Please contact us at 650.589.4020 at least one business day in advance. You can choose to use an On-Call Cleanup or pay the extra bag fee.

Extra Recycling

Overflow recyclables can be collected curbside for no charge. Place clean, dry paper and empty containers (aluminum/metal, glass and plastic bottles, jars, cans, tubs) in separate paper bags and leave next to your recycling cart on your regular collection day. Please no plastic bags. Cardboard boxes should be flattened, bundled, and left beside your recycling cart as well.
